

Carving Block Ice Tilt Cart

Model TILT:

- Designed to be used with the Clinebell Carving Block Hoist & power or manual ice shavers.
- Roll the Tilt Cart between the Hoist legs and slowly lower the block of ice down onto the cart.
- The block of ice is ready to be moved to your work area.
- To box the block of ice once it's on the Tilt Cart, just lift approximately 40 lbs. (18.144 kg) from one end. While the Tilt Cart and block of ice are on one end, slide the box over the ice, lower the block and the Tilt Cart and then lift the other end of the Tilt Cart to close the box.
